The annual walk of the Poor Close was undertaken at the beginning of October 2025 with all trustees and clerk present. It was noted that an electric fence has been installed by the tenant, but that the site was in need of a big tidy.

A further walk was undertaken at the beginning of November to discuss ways of dealing with the encroaching scrub and these discussions are ongoing. The cashbook was signed.

In line with changes in the financial crime regulations, The Wilkinson's Trust savings account has been closed by Lloyds and a cheque for the closing balance issued. An application was made to open a Charity account with Lloyds, but this was declined due to the Trust status which has proved to be a sticking point with several banks. Currently an application is being made to the CAF bank. The tenant has been advised why they have not yet received an invoice for rental and have said the rent will be paid as soon as we are able to issue the invoice.

No gifts have been made.

The Charity Commission's return for the year Jan 25 to Dec 25 has been submitted.
